"Take Your Child to Church Day" - Sun., April 21st:
 Church is not a building, but the gathering of the people of God. In honor of the life and legacy of Eli Hill, last year churches around the community banded together to start "Take Your Child to Church Day". It was a day where we all took a second to remember the impact that something as simple as bringing your child to worship on a Sunday can have on a young life. In an effort to continue this tradition, churches around the community are celebrating "Take Your Child to Church Day" again on Sunday, April 21st! Children, families, and all who wish to show their support are encouraged to wear blue and attend service with a young person in their life that day (or to reach out and encourage a young person they know). We hope to see you then.

Camp Sponsorships: Help our kids get to camp this summer! Summer camp is not only a time of unforgettable memories, but a time where many children and students are able to encounter the LORD in a special and life-changing way. If our numbers hold strong, we will have anywhere from 10-17 children and students attending camp this summer! Our biggest group yet. We need your help though- Camp is costly. To send a kid to camp costs between \$400-500 on average, which many of our students and children do not have. This is where you come in. **Please consider sponsoring a child (or getting a few friends together to sponsor a child together!).** Contact Jeremiah Banks for further details. With your help church family, we can make sure every child that wants to can have the life-changing chance to attend camp this summer.

Graduate Recognition: Sunday, May 12th-

We want to recognize you! Calling all graduates! It's hard to believe, but graduation season is almost upon us. If you or someone you love is graduating from high school, college, or any other form of education- we would love to recognize you during our service on Sunday, May 12th!

To help us recognize our graduates, we are asking for a headshot/photo as well as a short bio (2-3 sentences) about where they are graduating from, what degree they are earning, and what their future plans are/ what college they plan to attend! These can be emailed to jbanks@corbinfbc.org- All submissions are needed **by Monday, May 6th.**

2024 Scholarship Applications are now available on our website at www.corbinfbc.org

From the News & Info page, you will find the general information about available scholarships and the application submission and review process. Under a separate attachment, the Scholarship Application and required information to be submitted for review. Submit only the completed application with all required information **by 12:00 pm Friday, May 3, 2024.**
