

## REPAIR AFFAIR 2018

### *Extreme Build Jubilee*

For a dozen years, the churches of the Cooperative Baptist Fellowship of Kentucky have shared Jesus' mission of good news to the poor in McCreary County, Kentucky! ExtremeBuild, on mission through CBF Kentucky, has faithfully constructed twelve houses for deserving families. Over those years, many volunteers have devoted countless hours to construction, from foundation to flowerbeds. CBF Kentucky churches have given generously in support.

This year is a Jubilee year for ExtremeBuild. We remain committed to McCreary County, but our work is a little different. Instead of new construction, we will attend to some of the many needs in the county in existing housing. We are looking at repairing a county park, tearing down an old playground and putting up a new one, and repairing a meeting area so they can have groups meet there again. Our ministry will be reaching out to the whole county! In addition, we'll repair roofs, fix windows, paint walls, clean up yards, and more, as the people of McCreary County have need. As always, we'll do both skilled and supervised work for people of all ages, skill, and experience. We're calling it our Repair Affair Edition!

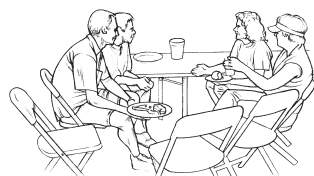

We will start June 7, with a dinner, orientation and assignments on Thursday night, spend two full days working, including a celebration on Friday night. Start talking it up in your churches. We need you, whatever your skill level!

You can register on EventBrite. Search for "CBF Kentucky Repair Affair 2018, in Whitley City, Kentucky."
