The Fine Arts Association of Southeastern Kentucky presents:

The American Chamber Players
Saturday, April 29, 2017
First Baptist Church, Corbin, KY
7:30 p.m.

Among today's most exciting and innovative chamber music ensembles, The American Chamber Players were formed in 1985 by Miles Hoffman from a core group of artists of The Library of Congress Summer Chamber Festival. The ensemble performs repertoire ranging from familiar masterpieces to neglected gems to newly commissioned American works, and its fascinating and delightful programs with varied instrumental combinations have been as enthusiastically praised as its extraordinary, dynamic performances. They have toured throughout North America, engaged and re-engaged by prestigious concert series from Florida to British Columbia, and they have traveled to Paris for a series of special gala concerts at the Paris Opera and the Bibliothèque Nationale. General Admission for Adults \$30; Students \$10.

A NOTE OF

Dear Church family,

Our Church is such a blessing to be a part of, as its caring and sharing seem endless. Thank you for the hospitality, the food and the love that was shown during a very difficult time. It will never be forgotten.

With love,

For our twelfth year, CBF Kentucky and partners including Kentucky Highlands and McCHDO will build a home alongside a family in McCreary County, Kentucky, identified by CBF's Together for Hope initiative as one of the twenty poorest counties in America. House by house, we are building affordable, sustainable homes; family by family, we are changing lives.

This year's Extreme Build partner family is Kimberly Powell. Kimberly has had temporary custody of young Chloe for the past thirteen years due to the love in her heart for the child. She also has temporary custody of her 6-year-old grandson, Tajah. He has lived with her since he was 15 months old. For nearly seven years, Kimberly has performed any needed home repairs, excluding major repairs like water heaters and HVAC. Kimberly contacted our housing partners seeking a new home with three bedrooms instead of two due to the age difference of her children. She wishes to give the children a safe and comfortable environment in the coming years. CBF Kentucky is proud to partner alongside Kimberly, Chloe and Tajah for Extreme Build XII!
