

We have many children in our nursery that are too old for nursery and too young for Sunday worship. It is time to start offering children's church again. We want our children to be given opportunities to grow in their faith in ways that are appropriate for their ages. If you are willing to be a part of a rotation of many people who will lead our children in fun and educational activities during church, please contact Alex immediately. We would like to get this rotation put into place by the end of the month. (Background checks will be required if you do not have one already on file in our records.) Praise God for children and praise God for the leaders who lead these children to a deeper relationship with their loving Savior!

In Christ,
Alex Lockridge
