**Camp Sponsorships:** Help our kids get to camp this summer! Summer camp is not only a time of unforgettable memories, but a time where many children and students are able to encounter the LORD in a special and life-changing way. If our numbers hold strong, we will have anywhere from 10-17 children and students attending camp this summer! Our biggest group yet. We need your help though- Camp is costly. To send a kid to camp costs between \$400-500 on average, which many of our students and children do not have. This is where you come in. **Please consider sponsoring a child (or getting a few friends together to sponsor a child together!).** Contact Jeremiah Banks for further details. With your help church family, we can make sure every child that wants to can have the life-changing chance to attend camp this summer.

### FBC Membership, we need YOUR input!

The Personnel Committee is surveying the membership to determine the staffing needs of our ministries. In this survey, we ask that you prioritize the ministries of this church based on need, and we ask that you evaluate the ministries of this church based on how you believe they are going right now. Please scan the QR code below to access and download the form, or you can receive a form from the office or at Sunday morning worship through May 5. These surveys need to be completed and turned into the office or dropped off at Sunday morning worship **by May 5**. Thank you for helping us better understand what is best for our congregation.
