Year End Giving

Some individuals like to make special year-end gifts to support our ministries. Please remember that all year-end gifts must be received by Sunday, December 31, 2017 or must be postmarked by December 31st to be applied in the present tax year. Any E-giving gifts must have transactions initiated by December 31st. Any gifts received after December 31 and not postmarked in December will be included in the next tax year. The date written on a check will not determine in which tax year a gift is included. Only the **actual date of receipt** by the church **or the postmark** will establish the correct tax year.

Dear family and friends of F.B.C.,

The Church Council has formed a History Committee that has been given the task of creating a History Room for our church. For this endeavor we need your help!

If you find something you would like to contribute, please bring it to the church office along with names, dates, and the significance of the item.

We know we can count on your support of this project and are looking forward to your contributions.
