

Stained Glass Saints
Today we remember
Mr. Dave Huff

I can't help but chuckle when I think of what Dave would say about my calling him a saint. He would certainly make a laughing comment that I had never referred to him that way before. Having said that, I know he did have some qualities that were very admirable.

Our church was of utmost importance to Dave. He and I joined FBC in 1960, soon after our move to Corbin. We visited other churches but realized very soon that this was the right match for our family. We never looked back.

Dave loved his Sunday School class and never wanted to miss. I think he always felt a closeness to all the men in his class. They were among his dearest friends and he never failed to be concerned (and helpful as possible) if anyone had a problem. He carried that over to the other church members too. I think he loved and accepted everyone.

Dave was a deacon for many years and served on numerous committees as well.

One of Dave's gifts was the "Gift of Compassion" and in this respect and many others, he served our Lord well.

The day before Dave died, he made this statement "You know I have loved my life." That statement from his hospital bed brought so much peace to his family, and we all agree that this church and its people were such a big part of what he loved.

Do these qualities make him a candidate for Sainthood? By the grace of God I believe they do.

Pat Huff

Church Family,

For the past few years, we have prepared gift boxes for our college students. These boxes are meant to be a sign of love and support from our church family as our students are away at school. We've filled them with things like travel size toiletries, snacks, school supplies, ornaments, gift cards, etc. Our students really enjoy receiving these boxes.

I'd like to invite you to participate in this project again. After being down with the flu for a week, I am behind on requesting/collecting physical donations for this project. As a result, I would like to ask for monetary donations this year so I can go shop for specific items. My goal is to have these boxes available for students to pick up during the Advent dinner on Sunday.

For those of you curious, we do have a fund from last year that I will also be using, but with 23 students to shop for, I'd love to collect a little more so we can ensure each box is extra special for our students. If you'd like to donate, please visit www.corbinfbc.org/give and designate your gift to the "college ministry fund." You can also give via check or cash. Please mark your envelope with the same—"college ministry fund."

I do apologize for the late notice this year, but thank you so much for your support of this project. Please feel free to reach out with any questions.

Thank you! Maria Lockridge
