

Christmas Eve Offering

This year, we will be receiving a special offering at our Christmas Eve Service. All proceeds from this offering will be placed in our benevolence fund for use throughout 2019 in helping local families with emergency needs that may arise throughout the year. Our hope is that this offering will provide an opportunity for all who are interested in making a contribution that will assist others after the Christmas season has ended.

Year End Giving

Some individuals like to make special year-end gifts to support our ministries. Please remember that all year-end gifts must be received by Monday, December 31, 2018 or must be postmarked by December 31st to be applied in the present tax year. Any E-giving transactions should be initiated by December 31st. Any gifts received after December 31 and not postmarked in December will be included in the next tax year. The date written on a check will not determine in which tax year a gift is included. Only the **actual date of receipt** by the church **or the postmark** will establish the correct tax year.
