Join us for a weekend of fellowship and spiritual refreshment. The reservations should be made by Thursday, March 1st. A signup sheet is in the office.

Dear family and friends of F.B.C.,  
The Church Council has formed a History Committee that has been given the task of creating a History Room for our church. For this endeavor we need your help!  
Each of us has something in our homes that pertains to the history of F.B.C. We need pictures, bulletins, Builders, keepsakes, old quarterlies, songbooks, trophies, costumes, and other objects that are suitable for display in this room. As we enter the winter season of "pulling out keepsakes," if you find something you would like to contribute, please bring to the church office along with names, dates, and the significance of the item.  
We know we can count on your support of this project and are looking forward to your contributions.

Sarah Ashley, Ann Hacker, Sharon Pace, and Joyce Parker

**Mind-Body-Soul-Spirit Vision**

Building off the learning and successes of the Wholeness Project, the Mind-Body-Soul-Spirit Vision proposes a set of synergistic activities guided by coherent strategy that brings about Wholeness in our community. The vision is built on a foundation of outreach and feedback from community stakeholders—church members, food pantry/winter relief clients, and nearby businesses, community organizations, and agencies. The outreach need not be exhaustive, but only intentional and transparent. Along with that outreach, we would conduct an inventory of First Baptist Church's (FBC) current assets with a specific focus on buildings and usage. With an idea of what the community needs and what FBC has, we would then create a vision centered on the Mind, Body, Soul, and Spirit. The vision would include activities in each of these areas that are self-reinforcing and guided by love and Christ. Below are some example activities. It is important to keep in mind that each activity must work in synergy with all others, so together they are self-reinforcing momentum towards greater Wholeness.

<b>Mind</b> Work and Faith Seminars	<b>Body</b> Winter Relief provided by FBC	<b>Soul and Spirit</b> 24/7 access to Chapel or Sanctuary
Vocational apprenticeships for housing clients in partnership with local business	Expanded Sojourn House	Glass enclosed atrium with fountains and prayer/meditation spots
Renovate basement for café-feel non-members feel welcome	Expanded gardening, integrated	Locally-focused weekend retreats and missions
Expanded child education programming focused on Food Pantry/Winter Relief clients	Health and fitness programming	Opportunities for testimonials
