

**This Week We Remember  
Maxine Bolding**

Maxine Bolding joined First Baptist Corbin in December 1959, alongside her husband, the church's new pastor Rev Haskell Bolding.

The many programs of the church appealed to her and she became involved: teaching Sunday School, working in WMU, directing GAs, etc. Missions ignited her heart and she found joy teaching mission studies.

Visitation was, to her, an important work of the church. She spent time visiting with folks - face to face - and inviting them in.

In the last years of her life, Maxine became ill and moved back to Corbin to be near her daughter. The illness prevented her from serving in leadership roles, but she was always faithful in her attendance.

Maxine loved being in church, and with the church family. It was her favorite place to be. Her kind and gentle spirit loved her Lord and all his children.

**Do not forget to spring forward 1 hour!**

### Celebrating 100 Years of Worship

Our 100 Years of Worship celebration is just a month away! Coordinator, Cindy Finneseth welcomes others to help with event planning. **The next meeting is Mon., March 13th at 4:00 pm in the Library.** If you cannot attend the meeting but available to help, please call the church office to add your name to the list for updates and notifications of future meetings.

### Lent Family Devotional Guides

Lent is one of the most sacred times of year. It is a time for us to take on a few habits (and seek to let go of a few others) as we reflect together on the story of Jesus's journey to the cross. To help our kids, students, and families do this- we have two guides available for our households and families. Extra copies are available on the desk outside of my office:

For households with kids (Birth-5th Grade): "This Is My Body" Lent Devotional Guide  
For households with students (6th-12th Grade): Youth "Focus Journal"

We are excited for what new thing God will do in us during this season! We pray this devotional draws you and your household closer to Jesus and the work God wants to do in your real lives during this season as you think about what it means to encounter Jesus-God in the flesh.

### Remind App (for families with kids Birth-12th grade)

In addition to our devotional guides and journals for our kids and students- We are encouraging all of our families to download the "Remind" app from your phone's app store and get signed up for our new reminder system for our children & youth ministries! In addition to reminder messages about how households can utilize their devotional guides and journals throughout Lent, we will begin using the Remind app to send out general ministry reminders for our children & youth ministries. Sign up for these reminders by downloading the app and enter the class code below:

Class code for households with kids (Birth-5th grade): @corbinfbc  
Class code for households with students (6th-12th grade): @corbinstud

Peace and Blessings,  
Jeremiah
