Dear Church,

Next Wednesday evening, September 21st, at 5:30PM, we will meet for our usual Wednesday evening meal, and then, beginning at approximately 6:10 PM, Dr. Rhonda Abbot Blevins, Executive Coordinator of Cooperative Baptist Fellowship of Kentucky, will lead our church through a process of Asset Mapping. This event will be the first word in an important conversation initially broached by the deacons in the June deacons’ meeting. The discussion at that meeting began in reference to various important structural concerns we face as a church—most notably, the need for a new roof. Quickly, the conversation turned to the need to take a comprehensive look at these repairs, taking into consideration our entire church property and how best to use and maintain it. The deacons then determined that, in order to answer such questions, we would do well to have a conversation about who we are as a church and what ministries—both new and old—we intend to focus on most directly. It is to that end that Dr. Blevins will be joining us. She will be leading us through a conversation surrounding what “assets” we have at First Baptist Church—both in terms of physical space as well as unique ministries and talents—and helping us clarify how best to use particular spaces for particular ministry purposes. This is, no question, an important conversation, and the quality of the conversation will be directly proportionate to how many voices take part in it. So please plan to join us that evening and lend insight into this important discussion. Meanwhile, just before Dr. Blevins begins her presentation, we will open a special business meeting—called at the business meeting on August 31st—to vote on a motion brought before the business meeting that night by the by-laws committee. This motion, which was first recommended to the by-laws committee by the finance committee, proposes to amend Article 8, Section 3 of our current by-laws to hold that our church’s fiscal year shall begin September 1st and end August 31st—a change from the current fiscal year of January 1st-December 31st.

So please make plans to join us on this important and exciting evening. I look forward to seeing you there!

Sincerely,  
Austin

PS: Dr. Blevins will also be offering the homily at our Faith and Communion service that day at noon, so please make plans to attend that service and to have lunch with Dr. Blevins in our fellowship hall immediately following.
