Thank you to my church family...
I just want to let you all know how much you mean to me. Thank
you for the prayers, the words of condolence, the visits, the phone
calls, the memorial gifts and the sweet hugs that my family and
I received during the illness and passing of my brother-Gary
Douglas Price. It means so much to look up and see a member of
my church coming into the hospital room, the nursing home and
the funeral home. While my brother was in the hospital and the
nursing home, he would comment on how nice it was that people
from my church took time to visit him. It made him smile and it
made me proud.

Love,
Lisa Harrison and family

Many thanks to all who helped me get through the loss of my
son. I appreciate the prayers, the memorial gifts and the kind
words of encouragement.
